行象牙塔外

假期，讓我們暫時卸下繁忙的課業，走出象牙塔外，領略生活和自然之美。

藝術大使 6E曾凱銘

我獲選為第四屆「校園藝術大使」，參加了藝術發展局「創意藝術工作坊」的攝影工作坊，與不同學校的學生作藝術交流。

我們學習了攝影的發展歷史，認識百多年傳統攝影和流行數碼攝影的區別，更掌握了一些簡單的攝影入門技巧。之後，我們便到新蒲崗啟德河進行外影活動，透過六張相片來表達自己對啟德河的觀點和感受。由於我喜歡啟德河在改善工程後的環境，所以我的照片都是圍繞河的景色和當中所保留的人情風味。

透過利用寶麗來相機來創作，令我們明白到生活中很多簡單的事物都可以變成藝術品。在講求效率和成果的今天，一部高科技的數碼相機或智能手機已可輕輕鬆鬆地為平凡的相片添上特別的效果，但這種作品往往欠缺個性和深度，而傳統的攝影藝術卻由此漸漸被淘汰，甚至失傳沒落。我們對此是否應多加反思？

A Visit to the Hong Kong Jockey Club

6E Yim I Wai, Yvonne

What have you been up to during the summer holiday? Well I paid a visit to the Hong Kong Jockey Club and I got a chance to see lots of stuff that ordinary people can't see. I must say this visit was an invaluable opportunity.

I had never thought of visiting the Hong Kong Jockey Club at my age; after all, I do not have much idea about horse racing. However, I do know about the community services and charity activities conducted by the organization. I was longing to know more about its operation, facilities and so on. Just as anticipated, this visit was an eye-opening experience.

During the visit, I got a chance to see some of the facilities in the club, like the equine hospital, racing laboratory and even the equine swimming pool. I'm not going to lie, when I heard about the equine swimming pool, I was amazed, "What? Horses can swim? They're probably just walking in water!" But later I found that swimming is the best exercise for horses and I also got the opportunity to see them swim!

I must mention the best part of the visit — getting close to the horses. I got a chance to feed a horse and take photos with these lovely animals. I must confess that I was a little bit nervous at first, but it was a really rare opportunity and I'm really glad that I joined this visit. I did learn a lot in this activity and I strongly advise you to seize your chance if you get one to join such kind of visit.

仁濟醫院Best Project義工計劃

5F吳勵雅、郭康妮

暑假期間，我們參加了由仁濟醫院舉辦的「BEST PROJECT」義工服務，經歷了不一樣的義工體驗。

為期約一個月的服務，我們曾到醫院內不同部門接觸護理工作和其他後勤工作，例如在門診部替病人量血壓、到藥房協助包裝工作、製作工具、到病房探訪病人，還協助社會工作服務部的工作等。此外，我們也進行了很多參觀活動，例如參觀急症室內的急救房間，到義肢及矯形部參觀義肢裝置等。

雖然服務的日子不算長，但醫護人員傳授了我們很多護理技巧和知識，當我們遇到不明白的事情時，也懂得和組員及醫護人員一起協力解決。組員之間更建立了深厚的友情，為我們的義工服務增添難忘的回憶。

交流團

暑假期間，同學們參加了不同類型的內地或海外交流活動，藉此擴闊視野，增廣見聞。

Halloween Party

The school hall was transformed into a terrifying spectacle on Wednesday 24th October for Liu Po Shan's haunting Halloween Party.

Nearly 130 party guests crawled under a bat net to reach the Halloween festivities awaiting them on the other side. There were lots of English speaking Halloween games, as well as monstrous mask making and freaky face painting, for guests to enjoy. The partygoers also had an incentive to take part in as many things as possible – they received a stamp for every activity they did, and if they collected 10 stamps they were entered into a prize draw. The games included Feed the Monster, Catch the Cockroach and Kill the Vampire. Students won candy and treats for completing the games and speaking English.

Some of the braver students played Nelson's Eye, a game about a great soldier who was killed in battle many years ago. Students had to close their eyes and put their hands in boxes containing parts of Nelson's body, and describe what they felt. There was a hand, some hair... and his eyeball! There were a lot of scared students, but if they managed to describe what they felt correctly then they got a stamp for their card.

The party also saw lots of face painting. EAT members drew figures on students' faces, hands and arms, with the Form 4s particularly enjoying this activity!

There was still more to come, though, as the guests were treated to a spellbinding magic show from Magic Marco in 3B as he twirled and conjured an array of items on the stage. LPS students weren't the only ones who got to enjoy the show, though. Eleven students from Po Leung Kuk Secondary School in Tsing Yi also attended the party, as well as 4 CNETS from the UK and America, and everyone agreed that they had a great time.

After students had collected some stamps they were allowed to visit the Halloween Café on stage where students enjoyed crisps, (more) sweets, chocolates and juice to re-energise before heading back for more fun and games.

At the end of the party the winners of the prize draw for all those who had collected 10 stamps was announced, with three prizes up for grabs.

The EAT did a great job of running the games and keeping the guests entertained, and the CNETs were also very helpful. By the time everyone had left, thousands of sweets and treats had been handed out, prizes had been won, and the guests were excited and exhausted. Everyone agreed though that the party had been a great success!
