1A 鍾權睿

老人家在年輕時為社會貢獻良多，這個時候，正應該好好享受人生。我覺得即使義工服務不會有物質上的回報，但卻能充實我的人生經驗，老人家們的掌聲令我們內心充滿了快樂，充滿了溫暖。

1B 周希諾

人老了，最希望得到的不是金錢，也不是長久的生命，而是一些關心和愛護他們的人，這使我對「孝順是最不能拖延的」這句話有更深刻的體會，當父母變成老人家，失去行動能力時，我們很可能正在為生活打拼而無法照顧他們，因此實應好好珍惜現在和他們相處的時光，免得日後追悔。

多位校友於香港浸會大學國際學院成績優異，獲頒發下列獎項：

- 「自資專上獎學金計劃」最佳進步獎：王詩莉
- 2014-15年度第一學期校長榮譽榜：丁家駿
- 2014-15年度第一學期學院成績優異榜：鄭禮欣、冼華映、余蔚晴

1C 何力泓

在服務時，我深刻體會到同學之間的合作性，以及同學們對長者的耐心和熱誠。令我印象最深刻的，不單只是遊戲組為長者進行的表演，更是我們與長者的親切互動，這些環節加深了我們對長者的認識，豐富了我們的人生經驗。

1D 曾慧琳

活動開始，公公婆婆們不太明白我們的表演，以致出現冷場，但當我們唱出他們熟悉的歌曲，他們便跟着給我們打拍子，有些更一起唱起來，我也開始不再害羞，放聲高歌。看着他們的笑容，看着他們愈來愈主動回答問題和玩遊戲，令我忘卻之前的擔憂和不快，覺得所有辛苦都很值得。

A LIFE IN A YEAR

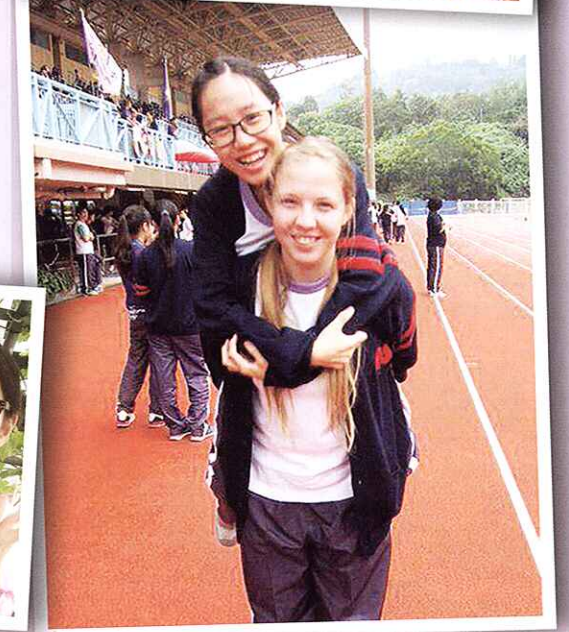

by 4C Bazorova Alexandra

I have been an exchange student for almost 10 months. Unfortunately, it is time to leave now. I want to say thank you to the principal, teachers and all my schoolmates. You all were really kind to me and tried to understand me. Especially my 4C class. I will never forget you, you are always in my heart.

I remember the first day I came to school. Everything was so different for me. Now, it seems that I have been studying here for my whole life. I liked all the lessons I had with different classes. You are all amazing and really funny. Also, all the other teachers were very kind to me.

I lived with a host family for these 10 months. We had happy moments and some difficulties. My host parents are teachers, so they could help me if I had any problems. I had two nice host brothers. Moreover, I had really caring host grandparents. They always tried to talk to me even though we did not use the same language.

I have become really close with the other exchange students. We visited a lot of places in Hong Kong and even went to Macau together. It is really sad to accept that I will have to leave in a short time. It was really difficult for me at the first month but now I can say for sure that Hong Kong is my second home. I feel like I have to leave my home and go back to my home at the same time. A part of me will always be in Hong Kong. As all exchange students say: "The year of exchange is not a year in a life but a life in a year."

The LPSMC Graduation Ceremony and Awards Ceremony

By 5D Jayronn Au

On the 14th of May, 2015, Liu Po Shan Memorial College held its Graduation Ceremony and Awards Ceremony in the school hall for graduates of Year 2014 to 2015. Honored guests, the Principal, teachers, parents and fellow students alike were glad to watch as our beloved Form six students complete their Secondary School studies in LPSMC.

The ceremony began with a duet by two of the graduates, singing 'My Pride', by Joey Yung. The duet was accompanied by the rest of the graduates. This same duet welcomed the many guests who were invited to take part in the ceremony. Among the guests was our guest-of-honor, the Chairman of the Hospital Authority, Prof. Leong Chi-Yan, SBS, JP.

The welcoming speech, by our supervisor Ms. Liu, reminded us of how quickly time flies, and told us the achievements of Prof. Leong, teaching us that graduation from Secondary School is a turning point in our lives, and we should continue our pursuit of knowledge, and to work hard in our endeavors. Following the welcoming speech, the Guest-of-Honor, Prof. Leong Chi-Yan, presented certificates to all graduates. This year, a total of 171 Form 6 students will be completing their Secondary School education.

Following the presentation of certificates, a vast number of awards and scholarships were given to students with outstanding achievements. After all the awards were given, the Guest-of-Honor, Prof. Leong, went on stage to offer a word of encouragement. He mentioned matters of education, emphasizing that education, especially Secondary School education, needs to be interactive, in order to learn much more.

Afterwards, the Principal, Ms Law Ning-chi, went on stage to present her speech. During her speech, she mentioned the compilation video of this year's graduates over the years, which played before the beginning of the ceremony. This reminded everyone of the memories they had while studying in LPSMC.

Afterwards, there was a segment where students give their thanks to Liu Po Shan Memorial College, the school that they grew up in. This year, a group of students give their thanks through the medium of dance. The Graduation Ceremony ended with a performance by our school's award-winning Chinese Orchestra.

To sum up, the graduation day went smoothly and successfully, thanks to the efforts of both teachers and students to bring every aspect of the graduation day to perfection. We hope that the graduates will achieve success in the near future. We also hope that students of Liu Po Shan Memorial College will continue to strive for achievement.
