跟數學談戀愛

我在廖寶珊5年,曾多次代表學校參加校外數學比賽,也獲得了數個獎項,這都全賴老師們教導有方,把我悉心培育。特別感謝趙啟源老師和羅振聲老師,他們在我遇上數學難題時,都會指引我尋找解決的方法。

很多人覺得我數學成績很好,在測驗或考試前,總有人揶揄我,認為我不用溫書也可輕鬆過關。其實這是誤會!我在數學科取得理想的成績,大部分歸功於上課專心,基礎穩固。上課專心可以令腦筋對授課內容有更深刻的印象,而基礎穩固則讓我容易吸收新知識。萬丈高樓從地起,要更上一層樓,根基的支撐最為重要。

迴避難題不是瀟灑,遇到不懂的題目不要怕,嘗試剖析題目,嘗試答題,答錯不算什麼,但要核對正確的答案,了解自己出錯的地方,然後將這個正確的方法放進自己的記憶裡。遇上不懂得的題目,抄下來,影印下來,然後多做幾次,直至完全明白理解為止。

如果武功有心法,我也有我的「獨門學習方式」。現在,文憑試課程已經不能滿足我對數學的好奇心,所以,我只好另尋出路,在圖書館借閱課外書,或是問老師借以前高級程度會考的書籍來參考,從而擴濶我對其他數學範疇的認識。多見多聞,方知天地廣濶;多留意身邊事物,就會發現到處都是學習數學的題材。我覺得在眾多方法當中,教別人數學是最強的心法。透過教導其他人,不但可以溫故知新,還會從中發現新的解題方式,所以我強烈建議同學們互相切磋數學題目,無論是教與學,雙方都會得益。

Beauty and the Beast

The English Drama Club put on a performance "Beauty and the Beast" in February for the Hong Kong School Drama Festival. The show, of which the script was originated by the club members, was performed in front of a large audience made up of primary and secondary students and their parents during our English Fun Fair in April.

Students' Reflections

46 Leung Sin-ping

This is the first year that I joined the English Drama Club. I am a complete novice at drama so I do not know anything about it. People around me thought that it would be a good chance for me to perform and be an actress; however, I just want to stay backstage.

I was in charge of the sound effect system of our drama "Beauty and the Beast". I help with the production of voiceover, music and sound during the performance whenever necessary. There was a big reason why I chose to take this challenging role. Although backstage workers usually do not appear on the stage during the whole performance, their work is critical because if anything goes wrong, the show will be destroyed.

I feel great and pleased to be one of the Drama Club members, and I look forward to the next performance.

2A Chui Hei-lam, Ellen

I have joined our school Drama Club for 2 years. In the club, I met friends from different forms and learnt many vocabulary words that were not taught in lessons.

Before joining the Drama Club, I was very shy and it was impossible for me to speak aloud in front of people, even though they were my classmates. However, since it was necessary for me to speak up in the Club, I gradually developed my confidence. Now, I can even perform in front of an audience as an actress.

The name of our play this year is "Beauty and the Beast". It tells a story about an ugly boy changing to a nearly perfect and handsome man, and the different ways they are treated. In the play, I act as the leader of a gang of bullies. Initially, the role was quite challenging to me as it is totally opposite to my true self. After guidance from the senior form members and teachers-in-charge, I believe I have done a better job in being the leader of bullies than I originally did.

It is my pleasure to join the Drama Club and I believe I would learn a lot through my participation in this extra-curricular activity.
